Nanterre, France, 22 avril 2004..... SITA France (a SUEZ Environnement company) has completed the sale of its subsidiary TEMACO to Plastic Omnium Environnement.

TEMACO is a major player in the primary collection waste industry in France, specialised in the commercialisation, management and maintenance of waste containers. In 2003, TEMACO generated turnover of 25 million euros.

This operation is conform with SITA's on-going portfolio optimisation and enables the company to focus on its core activities : global waste management (collection, sorting, treatment and recovery) and environmental protection services.

SITA France, a SUEZ Environnement company, generated revenues of 2.1 billion euros in 2003, a progression of 10% compared to 2002. SITA France employs 17 000 people who work closely with 4000 local authorities and 30 000 industrial and business clients. SITA France activities cover the entire spectrum of waste management services : collection, sorting, recovery, processing of non-hazardous and hazardous (excluding nuclear waste in both solid and liquid form and street cleaning.

SUEZ ENVIRONNEMENT, a division of SUEZ, provides equipment and services that protect the environment and deliver the essentials of life. Its activities include drinking water production and distribution, wastewater collection and treatment, and waste treatment and recovery. Through its three international brands, Ondeo (water distribution), Degrémont (water treatment plants) and SITA (solid waste management), SUEZ ENVIRONNEMENT employs over 82,900 people worldwide and in 2003, generated turnover of 12.3 billion euros.
